2019 COURSES

Adult Learning Support has merged into our parent body Literacy Aotearoa. We're still offering the same services and programmes in 2019 that are free to learners.

READING, WRITING AND MATHS TUITION

You can make a time and length that suits you
We offer personalised learning so you can learn what you want, when you want. You can combine reading, writing, maths and computer skills - whatever you need to get ahead at home and at work.

LEARNER DRIVER LICENCE THEORY

10 week course | 2 hours a week
Stop waiting for the bus. Stop hitching a lift. Stop walking in the rain. Get your licence and get out on the road! This course will help you learn the theory so you pass the the learner driver licence test first time.

COMPUTING BASICS

12 week course | 2 hours a week
It's never too late to learn the basics of computing. This course covers all the core skills. Video call your family. Send emails. Do your banking online. And so much more. You don't need to bring a device - just some courage to give it a go.

WORK FIT

10 week course | 12 hours a week
Work Fit teaches the skills you need to get job ready. Identify your strengths, write a cover letter you can speak to and a CV you're proud of. Great for school leavers and people making a mid-career change.

WORKING WITH DYSLEXIA

12 week course | 2 hours a week
This course helps people to work with dyslexia, the learning difficulty that affects 1 in 5 people. Hear from inspiring speakers, meet other people with dyslexia and better understand how your unique brain works.

PARENTING AND LIFE SKILLS

10 week course | 12 hours a week
This course helps young mothers to better care for their baby and their family. You'll learn practical skills and strategies to become a more confident, kind and supportive mum.
