

COMMUNITY CONNECT

“Breaking down Barriers”

Are you a non-profit organisation that could do with extra support with business essentials so you can support your community better?

Then here is a new 4-MONTH PROGRAMME for you!

Tailored specifically for non-profit organisations that work with people & communities that face barriers such as mental or physical health, language, culture, geography, financial, isolation, addiction, disability, gender or age.

Four x 3h tailor-made business-focused training workshops. Each workshop presented by leading-edge industry experts, covering topics such as:

- Innovative and leading edge tools to increase your chances when pitching for funding or sponsorship
- Proven methods and tips to create greater visibility across the region and why this it is important when it comes to seeking funding
 - Creating a straightforward and robust Strategic Plan for your organisation
- Understanding accounting and finances with methods and systems tailored for not-for-profit organisations

PLUS ... Opportunities to network and grow connections with others from within the not-for-profit... and knowing you're not alone!!

Community Connect
