

Help Kai Rescue Help Our Community

Kai Rescue reduces hunger and food waste in Nelson Tasman

We need \$60,000 to keep this important programme going and we need your help to make this happen.

Host a Kai Day Friday event and get a shout out on the radio, give a little (or a lot!). Go to www.nec.org.nz to find out all the ways you can help.

6500
meals worth
of food shared
each week

240
tonnes of food
diverted from
landfill so far

51
Charitable
Organisation
Partnerships

32
Volunteers
help us each
week

The Nelson Environment Centre is an independent not-for-profit that helps the Nelson Tasman community live more sustainably. We're proud to have been serving our community since 1976.
