

# The Online Oracle

**Greetings for 2022 from  
Tasman District Libraries'  
Digital Learning &  
Digitisation Specialist**

In these challenging times it's good to know that there are many services that people in our community can access through their library, without having to come through the doors

## DID YOU KNOW....

The library can still offer a great service to **EVERYONE** in our community?

Check out these digital resources and services....

### Got a digital dilemma?

Get some digi drop-in help online with a quick tip or trick for your terrible tablet or silly smartphone!

We can phone, email or zoom to help you out

**Need a little more than a quick tip? Then just ask for a Book a Librarian session via Zoom**

**NEED HELP TO GET SET UP WITH ZOOM? WE CAN DO THAT TOO!**

# e-Resources at your library

## DID YOU KNOW....

You can access heaps of online resources through the library?

Why not take a look at some of these fun and practical e-resources and take up a new craft, or learn a new skill.

**creativebug**  
if you're more creative than you think

### Creativebug

Get your daily dose of creativity with these art and craft resources, patterns, inspiration and instructional videos.

Use for free with your library card number and PIN.

**LinkedIn Learning**

### LinkedIn Learning

Lynda.com is now LinkedIn Learning. Develop your IT, creative and business skills online.

Use for free with your library card and PIN.

### No internet at home?

Contact the library to find out whether you are eligible for affordable internet

### Need a book ?

Why not try downloading an app and borrowing an eBook or eAudio book from the library  
Just download one of these apps from the AppStore or GooglePlay and have a browse
