

## Nelson-Tasman Based HEALTH PROFESSIONALS Share your experience

We are researchers at Massey University and we are trying to improve access to mental health services for youth in the Nelson/Tasman region by learning about the barriers youth face.

Are you a youth worker or registered health professional?

.

Do you work with youth aged 16-24 in the Nelson/Tasman region?

.

Do you provide or refer to youth mental health services (including screening, assessment, treatment)?

# Take the survey!

Participants will be given a printed copy of "Supporting Aotearoa's Rainbow People: A Practical Guide for Mental Health Professionals"
